

# Rogue Writers: RAWR 2025 BINGO!

By Myles, with Seera, Eitan, Lina, & Co.

Want to boost your noveling experience with some motivational games? Print all the BINGO sheets in this booklet that apply to your writing style, genre, and sense of fun. There are general writing BINGO cards for RAWR, including one with Celestial-themed vocab prompts! Some cards will help guide you through the writing process, and others are presented with specific genres in mind.

We encourage everyone to consider playing with the Writerly Wellness and Community Engagement cards to ensure your RAWR adventure is about more than just word count — it's also about personal growth and camaraderie!

# Rogue's Amazing Word Rush BINGO

## Plot and Structure

Write an interesting story hook on page one	Write a scene that moves the plot forward	Make readers excited to find out what happens next	Reveal something unexpected	Write a scene where character conflict gets worse
Organize a chapter with a clear beginning and end	Make one event cause another event	Write the big final conflict scene	Keep a secret from the readers	Add a subplot or side story
Write a scene that does two things at once	Put character development in an action scene	 FREE SPACE	Increase the stakes	Write an ending that feels right
Include foreshadowing	Give your main character an obstacle		Use dialogue to create tension	Write a scene that changes everything
Write a scene that shows who a character really is	Use arguments to push the story forward	Give your character's actions real consequences	Plan your story's beginning, middle, and end	Write a character at "rock bottom"

# Rogue's *Amazing Word Rush* BINGO

## Planning and Worldbuilding

Make an outline	Decide on rules for how your world works	Do some research	Create a place where your story happens	Plan how your characters will change
Make a timeline	Draw or describe the layout of a location	Describe people's daily routines in your world	Figure out what your story's message is	Decide how to name people and places consistently
Figure out what kind of society exists in your world	List the important moments in your story	 FREE SPACE	Make a chart of how characters know each other	Create your world's history
Plan what emotions you want your readers to feel and when	Make notes to keep your story consistent		Figure out why each scene matters to your story	Describe important places in detail
Decide what technology exists in your world	Figure out what each character wants the most	Plan the main problems everyone in your world has	Decide what big questions your story asks	Create something special and unique to your world

# Rogue's *Amazing Word Rush* BINGO

## Editing and Revision

Cut unnecessary words	Switch out boring verbs	Fix contradictory character details	Make it clear who said what in dialogue	Remove repetitive descriptions
Make a slow part move faster	Make sure the right character POV is being used	Use different sentence types and lengths	Remove a scene that doesn't move the plot or characters forward	Make your opener stronger
Fix spelling, grammar, or punctuation	Change the wording to make the meaning clearer	 FREE SPACE	Replace adverb-verb pairs with stronger verbs	Fix timeline mix-ups
Check for consistent character speech patterns	Fix parts with too much exposition		Fix sentences that sound the same	Work on paragraph flow
Cut backstory that slows down the narration	Brainstorm ways to make an emotional scene hit harder	Improve your ending	Make dialogue sound more natural	Give yourself a treat for editing!

# Rogue's Amazing Word Rush BINGO
